

SUMMER VACATION ASSIGNMENT

CLASS-III
(Session 2020-21)

Dear Parents,

It is summer vacation time again, a time to relax as well as fruitfully occupy the children in various scholastic and co-scholastic areas. Keeping this in mind, our teachers have painstakingly designed interesting Projects / Assignments for children to be completed during the summer vacation. This would encourage in-depth learning, strengthen concepts and prepare ground for improved academic output.

As parents, kindly motivate and lend support to your children and ensure that they complete the given work well-in-time and to the best of their ability. Your encouragement can actually make a huge difference to the ultimate learning outcome of these projects. We would be happy if parents encourage children to work on their own.

Please note the following :-

- ☺ Encourage them to undertake creative writing, both in Hindi and English. You can tell them to write their experiences about the vacation and maintain a daily diary too. Even watching good English movies / plays can be an enjoyable learning experience.
 - ☺ To make them aware of their surroundings, tell them to watch various informative T.V. Channels like Discovery, National Geographic, History and Animal Planet.
 - ☺ To enhance their creative talent, motivate them to draw / paint, make PPT presentations on any family celebration or any activity / place / concept that interests them.
 - ☺ Last but not the least, practise English and Hindi handwriting.
 - ☺ Let these assignments / projects be fun filled so that learning is always a pleasurable activity for our young children.
- We look forward to your co-operation.

HAPPY HOLIDAYS!

Principal

ENGLISH

- Learn Ch.1 and 2, Learn Grammar Worksheets.
- Write about Gender and its types with any 10 examples.
- Take out ice in bowl, think about the rhyming words with ICE (At least 5 words) before it melts and make sentence using those words.
