

We Lay Strong Foundation for
Lifelong Success

Mr. Pramod Maheshwari
Director, Career Point
B.Tech, IIT Delhi,
OPM, Harvard University, USA

At CPWS, we believe a student's success isn't just about grades. In today's world, students need excellent life skills to thrive. That's why CPWS focuses on developing students in multiple areas, preparing them to face challenges and become better individuals. We aim to build skills like leadership, teamwork, decision-making, presentation, and communication, along with a positive attitude and innovation. These skills help students become confident and capable individuals.

To help students develop these skills, we have various clubs that conduct activities throughout the year. Our clubs provide a platform for students to explore their interests and talents. Students participate in activities like project presentations, exhibitions, debates, quizzes, sports, and cultural events.

These activities help students develop their personality and character. We encourage students to take leadership roles and work in teams. Our goal is to prepare students for life's challenges and make them responsible citizens. By developing these skills, students can achieve their goals and succeed in life. Take a look at the glimpses of various student development activities.

Students Orientation

Beginning of New Session

An orientation session was conducted at the beginning of the new academic year to familiarize students with the student portfolio, academic structure, examination pattern, and various non-academic activities. Students were also briefed about the new changes introduced for the session, ensuring that they begin the year with clarity, confidence, and a clear understanding of expectations.

Dance Workshop

Learn to Express

A lively dance workshop was conducted by Choreographer Ravi Goud, a certified mentor of the Indian Idol Dance Academy with 17 years of experience. He has worked with renowned artists like Dharmesh Sir, Sushant Khatri, and Roza Rava, and is currently involved in Prince Gupta's YouTube Dance School project. He is also a member of U.I.D.C. The session was energetic and inspiring, giving students a chance to learn new dance moves and express themselves creatively.

Science Park, Jodhpur The students of Grades 3 and 4 went on an educational field trip to the Science Park in Jodhpur. The visit proved to be both fun and informative, offering students a hands-on learning experience beyond the classroom. They explored various scientific exhibits, participated in interactive demonstrations, and discovered scientific concepts in an engaging and enjoyable manner. The trip sparked curiosity and encouraged scientific thinking among the students. Overall, it was an enriching experience filled with excitement and learning.

Science Park Field Trip

Educational Field Trip

Our school celebrates No Bag Day on the fourth Saturday of every month, aligning with NEP 2020's vision of joyful learning. Students engage in interactive activities like drawing, games, and storytelling, promoting creativity, critical thinking, and collaboration. The initiative reduces academic pressure, fosters holistic development, and makes learning experiential and fun.

Textile Factory Educational Visit

Field Trip to Surjal Creation

Textile Mill Grades 3 & 4 Our Grade 3 and 4 students recently visited Surjal Creation a textile mill, for an exciting educational field trip. Around 33 students took part in the visit and travelled by van, full of energy and curiosity. At the mill, students got a wonderful opportunity to see how cloth is made – from spinning threads to weaving, dyeing, and printing fabric. The big machines and the step-by-step process amazed everyone. The staff at the mill were friendly and explained everything clearly. Students asked questions and learned a lot about textiles in a fun, hands-on way. The trip was not only educational but also a great experience outside the classroom. It helped students understand and appreciate how clothes are made. They returned with smiles, new knowledge, and great memories!

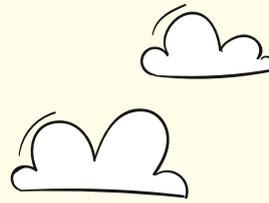

Class 1 students went on a fun and educational field trip to Sri Krishna Balaji Gaushala. A group of 22 kids learned kindness towards animals and the value of compassion. The highlight of the trip was seeing snakes, which amazed and excited the children. It was a short yet memorable outing filled with joy, learning, and new experiences!

A Fun Visit to Sri Krishna Balaji Gaushala

Guru Purnima

A Divine Celebration of

Our school celebrated Guru Purnima with a soulful Hawan ceremony, where students, teachers, and staff offered prayers for wisdom, growth, and well-being. The event featured powerful mantras, diya lighting, and a heartfelt Aarti, filling the atmosphere with peace and devotion. The celebration is expected to bring positive energy and success to the school community.

Shramdaan

A Selfless Gift to Nature by Students

Students from Classes 3 to 8 participated in a Shramdaan activity, cleaning and beautifying the school garden, planting medicinal plants, and nurturing saplings. The initiative promoted values of hard work, selflessness, and care for nature, bringing students together in service of the environment.

Exploring the World of News

Grade 7 Visit to Dainik Bhaskar Printing Press

Grade 7 students visited Dainik Bhaskar Printing Press, gaining a behind-the-scenes look at newspaper production. They witnessed editing, layout design, and high-speed printing, learning about the technical aspects and teamwork involved. The trip sparked curiosity and appreciation for publishing, making it a day of learning, discovery, and inspiration.

The campus transformed into a mesmerising world of sapphire skies and shimmering raindrops as we celebrated Blue Day with a delightful rainy theme. Children dressed in various shades of blue enjoyed dancing, artificial rain, and playful activities. The event ended with a sweet treat, creating joyful memories. Teachers' efforts made the day special, making it a "Blue-tiful Day" for all!

Exploring Nature and Geology

Educational Field Trip to Rao Jodha Desert Rock Park

Students of Class 9 and 10 embarked on an educational trip to Rao Jodha Desert Rock Park in Jodhpur, accompanied by their teachers. The 72-hectare park, a unique conservation project, features ecologically restored desert vegetation and ancient rock formations, including the 745-680 million-year-old Jodhpur Welded Tuff. The trip provided a hands-on learning experience, enhancing their understanding of ecology, conservation, and geology. Students engaged with guides, asked questions, and clicked pictures, gaining fresh perspectives on the natural world. The trip blended education, environmental awareness, and adventure, inspiring students to connect with nature.

Yoga Activity

Embracing Wellness

A refreshing yoga session was conducted in the open ground for Classes 3 to 5 in our school's open-air ground. Students performed various asanas, including Surya Namaskar, with discipline and confidence. Teachers guided them, emphasizing yoga's benefits like concentration, stress relief, and inner calm. The session ended with deep breathing and meditation, leaving students peaceful and energized.

Caring for Young Smiles

Health & Dental Check-up Camp

A Health and Dental Check-up Camp was organized for Grades 1 to 5, focusing on overall well-being and healthy habits. Students underwent height and weight measurements, and Dr. Khushboo Sharma, an expert Implantologist and Cosmetic Dentist, conducted dental check-ups, providing personalized feedback. Rewards were given to those with good dental hygiene, and guidance was offered to others. The event promoted healthy habits and smiles among young learners.

Exploring Science in Daily Life

Grade 7 Projects Spark Curiosity!

Grade 7 students showcased their scientific skills in an interactive activity on "Science in Daily Life". Projects included chemical reactions, color-changing reactions, honey purity tests, Volcano Eruption Model, and rainwater harvesting models. Such activities help in nurturing curiosity and strengthening scientific thinking among students. Kudos to the budding scientists

Health Awareness Session

Guiding Young Minds Towards a Healthy Lifestyle

A Health Awareness Session was conducted for Class 1 to 5 students, focusing on health, hygiene, and lifestyle choices. Dr. Khushboo Sharma led the session, covering topics like personal hygiene, dental care, and balanced nutrition. Interactive and engaging, the session encouraged students to adopt healthy habits and take responsibility for their well-being.

Annual Exhibition cum Fair

CPWS school's Annual Exhibition cum Fair was a grand success! Students participated enthusiastically, showcasing art and craft articles. The event displayed their creative talents and skills. Various exhibits highlighted their imagination and innovation. Parents and teachers appreciated the students' efforts. It was a fun-filled day for all

Independence Day Celebration

Our school celebrated the Independence Day with pride and patriotism. Chief Guest Col. (Dr.) Mithilesh Dixit, Director, School Education, Career Point, Kota, hoisted the National Flag and enjoyed the vibrant cultural programme presented by our talented students. The event concluded with an inspiring interaction between Director Sir and the parents.

Sports Day

National School Sports Carnival

Our school celebrated National Sports Day with great enthusiasm. The opening ceremony was held on 29th August with the Sports Oath, followed by a day full of athletic activities and competitions on 30th August. Students participated with zeal, showcasing teamwork, discipline, and true sportsmanship.

POSCO Act Awareness Program

Building a Safe and Secure Environment for Our Students

POCSO Awareness Session & Child Safety Committee To strengthen our commitment to a safe and supportive school environment, an awareness session on the POCSO Act was conducted for Classes 3 to 12 by Principal Ms. Manisha Lashkari. Students were guided on personal safety, understanding safe and unsafe situations, and the importance of speaking up and seeking help. To ensure continuous support, the school has formed a Child Safety Committee, which students can approach anytime for concerns related to safety or well-being. This initiative reinforces our belief that every child deserves protection, respect, and a trusted system to rely on.

Teachers Day Celebration

A Joyful Tribute

On 4th September, our school celebrated Teachers' Day with joy, creativity, and heartfelt appreciation. With the wonderful efforts of Grade 10 students, the day was filled with surprises, performances, and gratitude. Students role-played their favourite teachers, presented songs, and even dressed as social reformers. Grade 10 students, guided by Maya Ram Sir, created personalized tags for every teacher and staff member and gifted them a green plant as a symbol of gratitude. The celebration also included fun games, energetic dance performances, and a special lunch for all teachers, admin staff, and our Principal Ma'am. A memorable day that truly reflected love, respect, and togetherness.

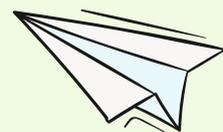

Special Assembly

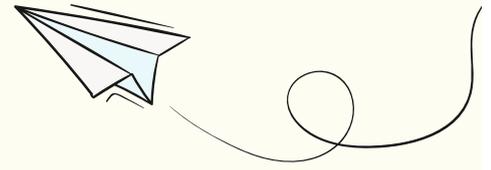

Our Nursery to Grade II students presented a vibrant Special Assembly with 100% participation. The program included storytelling, poems, quiz, speech, dance, and music, creating a lively and joyful atmosphere. Parents were invited as special guests, and their presence encouraged the children and added meaning to the event. The assembly highlighted teamwork, confidence, and holistic development, giving every child a chance to shine. ✨ A day filled with smiles, applause, and proud moments!

Dandiya

Our school celebrated Navratri with a joyful Dandiya program. Students, dressed in colorful traditional attire, filled the campus with energy and enthusiasm. The beats of Garba and the clashing of dandiya sticks created a festive atmosphere. The event began with a prayer to Goddess Durga and was followed by group performances full of rhythm and cheer. Principal Sir appreciated the students' efforts and highlighted the importance of staying connected to our culture and traditions. It was a memorable celebration that spread happiness, unity, and festive spirit among all.

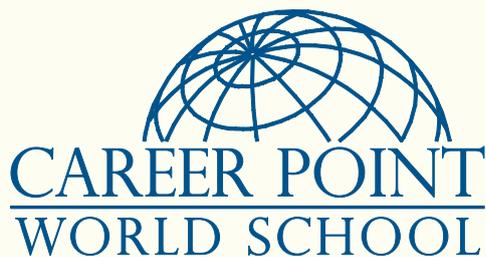

Holistic Development

Where Minds Grow and Talents Shine

A typical day at CPWS is a blend of academics and extracurricular activities, designed to foster overall growth. Students engage in classes, sports, clubs, and events that help build their skills, creativity, and character. This balanced approach ensures students develop into confident and capable individuals.
